# SUNRISE FRANCK OLIVIER

## *The Dawn of a New Fragrance by Franck Olivier*

FRENCH PRÊT-À-PORTER LABEL FRANCK OLIVIER PRESENTS A NEW FRAGRANCE INSPIRED BY DAYBREAK.

Sunrise Franck Olivier: that magical moment when everything seems possible, the night has gone and the promise of a new day lies ahead: this is the inspiration for the new Franck Olivier fragrances, for him and for her. Clear and captivating, Sunrise Women is the very reflection of tenderness and bliss. Fresh and wild top notes of Granny Smith Apples, raspberry and lemon give way to a more feminine and sensual heart of orange blossom, jasmine and tuberose, opening the door to dreams. The base notes of musk, sandalwood and patchouli evoke a more gourmand accord with a sillage that is delicate yet still mysterious. The Eau de Parfum comes in 75 ml 50 ml and 30 ml sizes and is complemented by a 7.5 ml Eau de Parfum. The packaging for this appealing fragrance is inspired by a delightful longing for Springtime, flowers and country walks. Sunrise for Women is an incitement to love, tenderness and sharing feelings. Cheerful, fresh and trendy colours adorn the packaging and bottle of rare intensity. The harmonious and chic appearance of this fragrance stimulates a desire to discover the extraordinary and the new – what happens after sunrise.

The orchestration of the bottom notes illustrate the spirited character of this fragrance: amber and tonka beans form a mysterious duo in the base

The men's fragrance opens with bergamot, lavender and myrtle setting the tone for this original and engaging masculine composition. It whisks us off to a world packed with feeling

and emotion thanks to an enchanting and mysterious heart of violet leaf, clary sage and jasmine that will captivate the man looking for an unusual and innovative fragrance.

that contrast with one another yet render each other more sublime, whilst sandalwood adds its depth and sensuality. Sunrise Men comes as an Eau de toilette spray in 75 ml and 50 ml sizes and a miniature replica of 7.5 ml. True to the creative direction of the Franck Olivier perfume house, this line for men releases an aura and a sensuality that is very masculine and profoundly inspired by the spirit of Paris. The magnificent bottle has strong square and angular lines. Both fragrance and bottle evoke a highly masculine world with a style that is both sporting and up to the moment.
