BAMBOO by Franck Olivier *An Invitation for a Journey of Discovery*

FRANCK OLIVIER, THE FASHION BRAND WITH A DISTINCTIVE STYLE, PRESENTS A NEW FRAGRANCE, FOR HIM AND FOR HER, THAT IS A JOURNEY OF THE SENSES.

Franck Olivier is a name that has been well known in women's ready to wear fashion for over forty years now. Dedicated to women with spirit and who are dynamic and elegant, Franck Olivier designs are also favoured by loyal clients from show business, the world of business and politics. For the new fragrance, inspiration has come from a plant that is the symbol of the East: bamboo. The women's fragrance is sensual, sophisticated and intense, an explosion of delightful notes and intoxicating scents,

Wonderfully infused with violet leaf, blackcurrant and ivy, the olfactory composition fills the senses with wonder. The middle and base notes of this unique fragrances are the promise of a journey where rose, lily and ylang ylang delicately and subtly combine with powerful vetiver and bold musk. The bottle is a delight for the eyes, a timeless and beautifully feminine design. It elegantly embodies a new world, a guarantee of tenderness and intense pleasure.

It is a true prelude to dreaming, through an imaginary world created for women by Franck Olivier. Bamboo for men is characterized by strength, power, harmony and exquisite pleasure. Successfully blending confident notes of blackcurrant, mandarin and bergamot, the middle notes unfurl with an explosion of scents where nutmeg, blackcurrant and pine betray the powerful masculine character of Bamboo for men. The base notes prevail thanks to the thoughtful presence of amber, sandalwood and cedar,

which give the perfume its unequalled lingering fragrance. Both powerful and sensual, classic and elegant, the Bamboo for men bottle delightfully transports us to distant and mysterious destinations that will seduce even the most demanding of men. A desire for seduction, a strong and protective image, Bamboo for men is undoubtedly a fabulous and bold creation that characterizes major success. Combining enthusiasm and passion, audacity and tradition, this design is a true artistic success.
